

# The Restoration Man

Channel 4's The Restoration Man TV programme is following the conversion and restoration of...

## Whittingham Train Station Alnwick, NE66 4RP

The producers are looking for historical information on the school and would like to speak to people who have memories of the property and the local area...

Perhaps you or one of your relatives used the station before its closure in 1953? Maybe one of your forebears worked on the local railway? Do you have any photos, memorabilia or stories about when the station was in use?

We are also looking for old photos of Whittingham, its inhabitants and the surrounding area.

If you have any information for the producers please contact Nicholas de Taranto at:
